The Brillion Public Library, as a tax-supported institution, is always looking for ways to keep costs down, but still maintain a high level of service. This Wish List is one way. The Public and Organizations are invited to donate items on this list. Donations may be made in honor of someone, in memory of someone, to celebrate a special event, or for no reason at all. If you would like to donate one or more of the items, please contact The Brillion Public Library. Thank you!

When you write your will, won't you please remember the Library!
